Hey Joella,

The [LA Wine & Beer Fest](#) wants to move Downtown and I'm helping them identify potential locations and thought you might have some suggestions.

They are flexible about a lot of the details and are primarily looking for a cool location that can help them rebrand the event. Following are the basics:

- 1 or 2 days over one of the first two weekends of June
- Approx. 4-5,000 total attendees, max of 3,500 at any time
- 100 exhibitors
- Total of approx. 40,000sf - ideally a mix of indoor and outdoor space, but could do all of one or the other for the right place

Let me know if you've got any ideas. It's something we'd love to bring to DTLA!
